

SANI-TECH

Auger Style Refuse and Recycling Compactors

Sani-Tech Systems Complete Line of All Electric Cart Dumpers

**Empty your Heavy Carts QUICKLY, EASILY AND SAFELY!
Easy Operation - Handles Heavy Loads - Low Maintenance**

Sani-Tech Cart Dumpers

Provide a strong, safe, simple and durable system to empty your Carts and Totes into your Waste Compactor or Storage System

Exclusive Electric Motor Drive

Eliminates environmental, maintenance and wear issues that are common with Hydraulic Dumpers

Rotation

Virtually unlimited Rotation and Dump Angle. Unlike a Hydraulic Dumper which typically provides maximum 30-40 Degrees of Dump Angle

Rotation Speed

Consistent through the full range of motion

Sani-Tech Cart Dumpers are designed to dramatically increase productivity by reducing the effort involved in emptying filled Carts, while greatly reducing the risk of personnel injury.

- **ADAPTABLE TO ANY DUMPING APPLICATION**
- **GREATLY REDUCES MATERIAL SPILLS & ENVIRONMENTAL HAZARDS**
- **DRASTICALLY REDUCE YOUR EMPLOYEES RISK LIFTING HEAVY LOADS**
- **NO HYDRAULIC OIL, VALVES, QUICK-COUPERS OR HOSES TO MAINTAIN**
- **ALL ELECTRIC OPERATION, JUST PUSH THE BUTTON**
- **AUTO-CYCLE OPTION IS AVAILABLE FOR PUSH AND WALK AWAY OPERATION**

With Sani-Tech Electric Cart Dumpers, all you have to do is roll your carts into the Dumper's Lifting Attachment. Turn the dumper on and the material will be safely emptied into the Compactor or Receiving Bin and then lower the cart when emptied.

COST SAVINGS IS THE BOTTOM LINE

SANI-TECH SYSTEMS "ALL-Electric" Cart Dumpers

**Substantial reductions in operating costs are obtained by:
Reduced Labor, Low Maintenance and Simple Quick operation.**

SANITECH SYSTEMS CART DUMPER SPECIFICATIONS

Model	Lift Capacity	Height	Width	Electrical	Motor	Time to Dump Angle	Total Cycle Time
ER48-800	800 LBS @ 48" From Center Line	Built to Spec.	Built to Spec.	208/480V 3-Phase	1 HP	11 Sec.	22 Sec.
ER48-1500	1500 LBS @ 48" From Center Line	Built to Spec.	Built to Spec.	208/480V 3-Phase	2 HP	11 Sec.	22 Sec.
ER48-2500	2500 LBS @ 48" From Center Line	Built to Spec.	Built to Spec.	208/480V 3-Phase	3 HP	11 Sec.	22 Sec.
NEW ER48-4000	4000 LBS @ 48" From Center Line	Built to Spec.	Built to Spec.	208/480V 3-Phase	3 HP	11 Sec.	22 Sec.
NEW ER48-6000	6000 LBS @ 48" From Center Line	Built to Spec.	Built to Spec.	208/480V 3-Phase	5 HP	11 Sec.	22 Sec.
